Chewblet ice makes everything taste better!

QUALITY
WATER
SERVICE

FOLLETT®
Innovative solutions, inspired by ice

Provide refreshing ice and water.

Replace unsanitary ice scooping.

7 Reasons

to choose Follett **7 Series**
for employee refreshment

1. Compact

Only 17.5" (445 mm) tall to fit on
counters under cabinets

2. Drainless

NO DRAIN REQUIRED –
Place it anywhere

3. Sanitary

Hands-free ice dispensing minimizes
cross contamination by eliminating
scooping

4. Efficient

Lowest energy and water consumption
of similar sized ice machine

5. Attractive

Stylish design complements
any work space

6. Antimicrobial

Agion® silver-based antimicrobial
product protection of key ice and
water contact components¹

7. Refreshing

Consumer-preferred chewable
Chewblet ice and optional water
filtration provide high quality
refreshment. Ideal for iced coffee
and iced tea.

¹ Disclaimer: Antimicrobial protection is limited to the treated components and does not treat water or ice.
Agion is a registered trademark of Scicent LLC.
Follett and Chewblet are registered trademarks of Follett Corporation, registered in U.S.

Relax!

We have what you need.

Follett offers the industry's largest selection of ice and water dispensers with more than 40 sizes and configurations to meet your needs – countertop, freestanding, wall-mount and undercounter configurations.

Ice supply guide for employee refreshment[‡]

Model	Storage lbs (kg)	People served*	Total servings per day [†] 7 a.m. - 5 p.m.
7 Series	7 lbs (3 kg)	up to 25	140
12 Series	12 lbs (5 kg)	up to 50	400
25 Series	25 lbs (11 kg)	up to 100	450
50 Series	50 lbs (23 kg)	up to 200	525
110 Series	90 lbs (41 kg)	up to 350	650

[‡] 7 Series ice machines will produce 4.5 lb (2 kg) of ice per hour.
All other models will produce 1.5 lb (6.8 kg) per hour.

* The number of employees served will depend on daily usage patterns, number of employees that like ice, size of cups, climate, time of year, other uses for ice (e.g., filling pitchers for meetings).

[†] Assumes 16 oz cups 2/3 full of ice.
